

ALPHA and OMEGA

NUMBER 13
JULY 1987

This is the official publication of the Miller Number Custodian, who is:

Fred G. Hyatt 60 Grandview Place, Montclair, New Jersey 07043

Here we are again with another scintillating report on the goings on in the variant branch of the hobby.

As usual, there is not much to report. In fact, unless you want to count the current efforts by Sacks to gain control of the Miller Number Custodian, there is nothing to report.

This is as it should be. It indicates to me that my tenure as MNC is satisfactory to the variant players.

How am I dealing with this new threat from Sacks? The same way I always deal with his manipulations: I IGNORE HIM!!
